

BERTL'S BEST 2009

14th Annual Awards

Best Graphic Arts Color Production Printer

**Konica Minolta
bizhub PRO C65hc**

- Exceptional rich, fluorescent-like output with fast throughput, fast output
- Advanced color print quality without complex processes or multi-pass technology
- Internal heating unit environmentally conditions paper stock for less curling and fewer misfeeds
- Documents can move immediately to inline and nearline finishing, packaging and delivery
- Air blowers in paper trays separate sheets to improve high-speed paper handling
